

WHAT IS LTB 5.1 ?

LTB 5.1 Headphones is the world's first innovative, multimedia headphone that utilizes 6 Independent Speaker Chambers (I.S.C.) and Safe Bass (S.B.) patents to create rich 6 channel surround sound effects.

PATENT TECHNOLOGY :

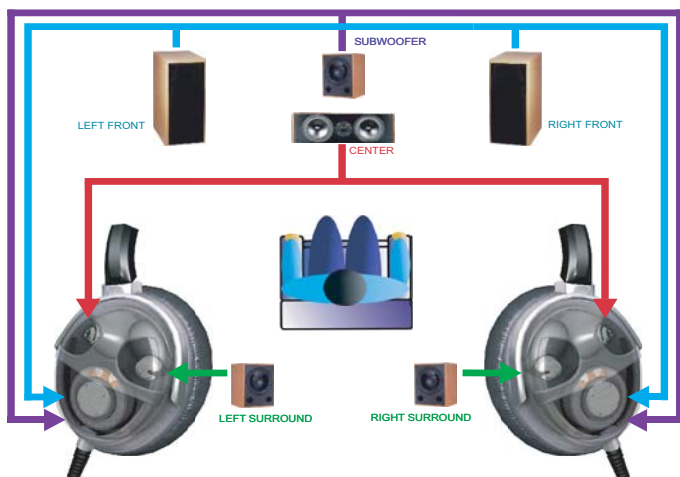

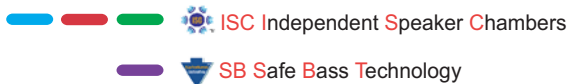

It will deliver true 5.1 surround sound through patented Independent Speaker Chambers Technology. The audio quality will show you the way "Personal Home Theater" was meant to sound.

It Incorporates New Safe Bass Technology, that Protects the listeners ears by converging Bass response through the left front and right front channels.

- ★ Safe Bass Technology incorporates our exclusive safe resonance technology to protect the listener.
